

ANNOUNCING A NEW RESOURCE

FOR INDIVIDUALS OR ORGANIZATIONS SEEKING WORK INCENTIVES PLANNING & ASSISTANCE SERVICES

Maine Medical Center's Department of Vocational Services is pleased to announce the availability of a new website for those interested in Work Incentives Planning and Assistance (WIPA) services.

Go to:

www.benefitsandworkinme.org

The website has general information about free WIPA services and eligibility, the statewide listing of Community Work Incentives Coordinators (CWICs), referral forms that can be printed and mailed to get an appointment, an online request for services form, information and materials for referring agencies and online resources for individuals with disabilities returning to work.

We hope this will improve access to WIPA services for Social Security beneficiaries/recipients statewide and look forward to hearing from you!
